

# SMALL GROUP DISCUSSION

**Rick Henderson**  
**1 Timothy 4**

1. Have you struggled to figure out how to process or relate to church leaders from your past with whom you no longer agree?
2. Read Romans 14 together. What insights do you gather here about disagreement between believers, from what Pastor Rick pointed out or your own observations?
3. Going forward, how would you distinguish between a wrong teacher and a false teacher.
4. Do you think there is more room for disagreement about the non-essentials of faith at a non-denominational church than a denominational one? How does your answer affect what it looks like to live in unity with other believers?
5. While it may be easier to ignore or cancel someone we no longer agree with, what might it look like to respond to them as Jesus would?
